Thirsty on Thursday

For our early guests: Discover the "Kuhviertel", enjoy Münster at night and have some local beers and typical regional dishes.

Friday

After checking in at your host or hotel:
Canoe to the Barbecue
From "Pleistemühle" a short canoe trip to the "Schöne Aussichten" where we'll welcome you with hot spare ribs, sausages and cool drinks.
After, there'll still be time to spend a relaxing evening with your lovely host.

Saturday

Coffee in a cage

If you need a kick-start – we've got fresh coffee. We meet next to the cathedral on the market place and start the day gently.

At high noon in front of the historical town hall you'll have to decide: Art vs. shopping frenzy. We offer you either a guided tour through the "Graphikmuseum Pablo Picasso" or a non-guided shopping-tour where you can spend all your money.

Be surprised in the afternoon and follow us on our amazing "Schnitzeljagd". Discover Münster in a very special way... ever mentioned that we put people we don't like into huge cages and let their eyes be picked out by crows....?

Five minutes to relax. Then put on your black tie and join our gala dinner to celebrate 40 years of Round Table Münster: Mediterranean style, delicious food and live music with "Dr. Groove".

Sunday

Westphalian cottage vibrations
Time to say good-bye: Farewell-brunch at the "Heimathues Sprakel". That's your last chance for hot coffee, good vibrations and croissants in a typical Westphalian cottage.
